Proposals will be received for the delivery of said goods at Boston,
New York, Flilladelphia, Baltimore, New Orleans, St. Louis, Memphis,
or Cincinnati; but in considering the bids, the cost of the transportation of the same to their respective destinations from the places proposed to be delivered will form an element in deckling upon the pro-

possils.

The right will be reserved to require a greater or less quantity of any of the articles named than that specified in the above schedule; and also any others of a different description that may be needed, at the lowest market prices.

Geods of American manufacture, of the required styles and quality will be preferred; but as the samples of blankets and cloths are forging fabrics, it will be necessary, in proposing a demestic article of either of those kinds, that a sample thereof shall accompany the bid.

either of those kinds, that a sample thereof shall accompany the bid.

The articles to be furnished must, in all respects, conform to and be equal with the samples recently selected, which may be seen at this of fices. They will be rigidly inspected and compared with those samples by an agent or agents appointed for that purpose. Such as may be unequal thereto in any particular will be rejected; in which case the contractor will be bound to furnish others of the required kind or quality without the contractor will be bound to furnish others of the required kind or quality without there days; or, if that be not done, they will be purchased at his expense. Payment will be made for the goods received on invoices thereof, certified by the agent or agents appointed to inspect them. It will be understood that all bids for farnishing the goods above specified may be rejected at the option of the department, perficularly if made by one who is not known as a manufacturer of, or regular dealer in, the article proposed to be furnished; which fact, or the reverse, must be distinctly stated in the bids offsced; and that the bids of all persons who may have falled to comply with the conditions of any contracts they may have previously entered into with the United States shall, at the option of the department, be rejected, in accordance with the letter and spirit of a joint resolution of Gongress relative to bids for provisions, clothing, &c., for the use of the navy, approved 27th March, 1854.

nies with the letter and spine and the later and spine and the later, so bids for provisions, leithing, &c., for the use of the navy, approved 17th March, 1854.

Bonds will be required in the amount of the bid for the faithful performance of the contract, with two or more sureties, whose sufficiency must be certified by a United States judge or district at-

formance of the contract, with two or more sureties, whose sufficiency must be certified by a United State judge or district at torney.

The proposals must embrace the articles, with the quantities thereof, as they are arranged in the foregoing schedule, with the prices an nexed to each, in doilars and cents, at which they will be furnished, and the amounts must be carried out and footed up for each class. They should be substituted with the following heading:

"I for well hereby propose to furnish for the service of the Indian department, and according to the terms of its advertisement therefor, dated October 15th, 1867, the following articles, at the prices thereto affixed, here insert the left according to the class or classes proposed for, J deliverable in the city of [Boston, New York, Philadelphia, Baltimore, New Orleans, St. Louis, Menuphis, or Cliniansti, as the case may be J by the first day of April next, or at such time or times during the year 1858 as may be ordered by the Commissioner of Indian Affairs, and I for well will also furnish, at the same prices, such additional quantities of the same kinds and qualities of goods, and at the horsest market prices, such other articles of a different description as may be required for the services of the Indian department during the year 1858, deliverable as above stated; and of this proposal be accepted, there finant the words, in whole or in part, if more than one class be proposed for, I for we's will, within twenty days thereafter, execute a contract accordingly, and give security, satisfactory to the Commissioner of Indian Militas, for the failing performance of the same." (Here insert whether the party proposing is or is not a manufacturer or regular detacler in the article proposed to be furnished.)

Each proposal must also be accompanied by a guarantee, in the following form, to be signed by two or note eresponsible persons, whose sufficiency must be certified by one or more persons personally or officially known to the department;

Washington Aqueduct.

OFFICE OF THE WASHINGTON ACCEPTANT, WASHINGTON, March 5, 1857.

PROPOSALS are invited for materials and work for the Washington squeduct.

operats received up to 7th May will be opened at noon of that

Mape, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace massory of some of the bridges, graduation, excavation, and embastment of reservoirs, from pipes connected with the reservoirs, 15 inch iron main, gate houses, bricks, sand, rubble, and out atome, for the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works tan be completed under the present appropriation; but all controls for undushed work will be subject to future appropriation by Congress. The engineer reserves the right to preservice the smount of work to be done and rate of progress under each Contract for each appropriation; and in case of the appropriation to theiring out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cont. will be said, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States

the engineer, the work has been properly executed so far as it has gine.

Asyments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per ceed; and it will be a condition of all contracts that the workmen shall be paid their full wages mouthly, and in specie.

All bids should be scaled, and enderned "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to roject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that he bidder or bidders will, if his or their bid be accopted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; and guarantee to be accompanied by the certificate of the United States district to guarantee.

Bids will be opened in presence of bidders, if any of them choose to Bids will be opened in presence of bidders, if any of them choose to partment of War, that the guaranters are able to guarantee.

Bids will be opened in presence of bidders, if any of them choose to be present.

Capt. of Engineers, in charge.

FORM OF GUARANTEE.

To Capt. M. C. Meigs, U. S. Engineers.

We, the undersigned, residents of _____, in the State of _____, hereby, jointly and severally, eccenant with the United States, and guaranty, in case the foregoing bid of ______ be accepted, that he or they will, within ten days after the acceptance of the said bid, execute the contract for the same, with good ands ufficient surecties to perform or furnish the articles proposed in conformity to the terms of the advertisement under which it was made. And in case the said shall fail to enter into contract as aforesaid, we guaranty to make good the difference between the offer by the said _____ and the next lowest bidder.

(Signed) (Signed)

I hereby certify that, to the best of my knowledge and belief, the bove named guaranters are good and sufficient,

Proposals for Erecting Marine Barracks at Pensacola, Florida.

Washington, September 21, 1857.

SEALED PROPOSALS, endorsed "Proposals for building Marine Barracks at Pensacola, Florida," will be received at this department until the 6th day of November, 1857, 8t 3 o'clock, p. m., for the construction of the Marine Barracks authorized to be erected at Pensacola, Florida, according to the plans and specifications prepared by the direction of the Navy Department, copies of which may be seen at the offices of the commandants of the navy-yards at Portsmouth, New Hampshire, Boston, New York, Philadelphia, Norfolk, and Pensacola, and at the Navy Department.

The proposals must be for furnishing all the materials and completing the work in a manner satisfactory to the person who may be appointed by the Navy Department to superintend the arms; and the department reserves the right to reject or scoops any of the proposals herein invited, when it deems the interest of the United States requires it.

department reserves the right to reject or accept any of the proposals herein invited, when it deems the interest of the United States requires it.

Ninety per cent, of the amount of work done and the materials delivered will be paid for from time to time, as the work progresses, upon estimates made and certified to by the Superintendent on the part of the United States, and ten per cent retained until the completion of the contract and acceptance of the work by the rail superintendent and department, and he forfeited in the event of non-fulfilment of the contract; provided that no bill shall be made for an amount less than five thousand dollars.

Each proposal must be accompanied by a written guarantee, signed by two responsible persons, (certified to be so by a navy agent, postmaster, district judge, or some other officer of the United States,) in the sum of five thousand dollars, that the bidder will, when required, if his proposal be accepted, enter into a contract and bond with proper and sufficient security for its faithful performence.

Bidders are invited to examine the plans and specifications at the offices herein-before mentioned.

The proposals must be scaled and addressed to this department, and plainly endorsed "Proposals for building Marine Barracks, at Fensaccia, Pforida."

The bither only whose offer may be accepted will be notified, and the contract will be forwarded as soon thereafter as practicable, which he will be required to execute within ten days after its receipt at the poot office named by him.

All the above work is to be completed in all respects according to the plans and specifications within two leve months from and after the date of the contract.

Is a complete the contract.

Is a contract with the contract of the contract of the contract.

OMPLETION of Panama Railroad.—Reduction
of fare to California.—United States mail steamables leave New
York for Aspinwall on the 5th and 20th of each month, connecting
with mail steamers from Panama to San Francisco.
These steam-hips have been in-specied and approved by the Navy
Department, and guaranty speed dust safety.
The Panama railroad (47 miles long) is now completed from ocean
to ocean, and is crossed to 3 or 4 hours. The baggage of passengers are
achecked in New York through to San Francisco, and passengers are
embarked at Panama-by steamer at the company's expense. The
money paid in New York covers all expenses of the trip.
Reserver steamers are kept in port in New York, Panama, and San
Francisco, to prevent detention in case of accident, so that the route is
entirely reliable.

entirely reliable.

Passengers leave Paname the same day they arrive at Aspinwall.

Conductors go through by each steamer, and take charge of women and children without other protectors.

For through tickets at the lowest rates apply at the agency, 177 West street, New York, to
